

About Enterprise Europe Network

Launched in February 2008 by the European Commission, the Enterprise Europe Network offers its support especially to small and medium enterprises (SMEs) in Europe. All activities of the network aim at promoting innovation and competitiveness in Europe. The services offered by nearly 600 partner organisations from more than 50 European and non-European countries include partner searches for technology, research and business cooperation, technology audits, advice on European regulations, current programmes and funding opportunities.

Future Match 2014

International
ICT Brokerage Event
at CeBIT

10 - 14 March 2014
Hall 9, C40
at CeBIT
Hannover / Germany

About Future Match

CeBIT is the world's leading fair for information and communication technologies (ICT) in Hannover with more than 4.000 exhibitors and 280.000 visitors in 2013. For more information please visit

www.cebit.de

Since 1999, the brokerage event Future Match at CeBIT has enabled enterprises and research organisations to find partners for commercial and technological cooperation, e.g.:

- technology transfer
- licensing
- research and development projects
- subcontracting and outsourcing
- sales and distribution agreements

Companies, universities and research institutes are again invited to use this opportunity to establish new cross-border contacts for future cooperation at Future Match 2014.

Some facts and figures from Future Match 2013:

- 370 participants
- 33 countries represented
- 1.250 bilateral meetings

How to participate:

- Register and submit a cooperation profile with a description of your offer or request online at:
www.futurematch.cebit.de
- Profiles are published in a constantly updated online catalogue.
- Participants select interesting profiles from the catalogue and request meetings.
- Meetings of 30 minutes are scheduled by the network staff.
- Individual schedules will be sent out to the participants prior to the event.
- Bilateral meetings take place from 10 – 14 March at the Future Match stand.

Location:

Hall 9, Stand C40,
at CeBIT Hannover / Germany

Highlights:

- In cooperation with the European IPR Helpdesk, advisory services on IPR issues will be offered.
- Ideal-Ist, the worldwide ICT Support Network for research and technological development, will offer advisory services on EU research funding.

Deadlines:

23 February 2014
